

Business Services Internship Lancaster, PA

Acuity Advisors and CPAs is now accepting applications for an internship program during the summer of 2018. Chosen candidates will work closely with our professionals as an active member of the team, both in the office and in the field. Interns will participate in various firm meetings, promotional events, and industry events. This experience will provide the opportunity to apply the analytical and problem-solving skills learned in class. This is an outstanding opportunity to work and advance with an established, aggressively growing organization. Applicants should have the following qualifications:

- Three or more years of education at the time of internship and seeking an Accounting degree with desire to obtain 150 credits
- Demonstrates leadership, problem solving and strong communication skills
- Enthusiastic and energetic with a desire to learn
- Aspiration to begin career in public accounting

Applications must include cover letter and resume and can be emailed to info@acuitycpas.com. Please include **2018 Summer Internship** in the subject line of your email.

The internships are fully paid at a competitive hourly wage.
