

General Manager

[B & B Poultry Co., Inc.](#), is a family owned and operated company located in Norma, NJ. Entering its 74th year of continuous operation, B & B Poultry specializes in processing ready-to-cook poultry products that serve the regional, national and international marketplaces. An innovative and growing operation, B & B strives to be an industry leader in producing high quality products and maintains organic and SQF certifications. B & B Poultry Co. is well respected in the local business community and within the national and global poultry industries. B & B Poultry's processing plant is over 70,000 sq. ft. and in 2016 the company built a new 35,000 sq. ft. cold & dry storage warehouse and office building to meet their growing demands and prepare for the future.

B & B Poultry is seeking a General Manager to be responsible for overall operations and work collaboratively with company leaders to implement effective business strategies which achieve desired production & financial results. The successful candidate will develop employees, strengthen teams and positively influence the work environment. The General Manager will work closely with team members to meet production deadlines, exceed customer expectations and ensure resources are allocated within budget requirements. B & B Poultry is seeking a loyal, dependable leader to provide hands-on leadership and proactively solve problems in a fast-paced environment. This position will build and reinforce relationships throughout the company and the broader industry.

A minimum of 5 years leadership experience, required. Experience in a meat/poultry/food production facility, strongly preferred. Business operations experience and knowledge, essential. Excellent computer skills required – ability to understand SQL Database and system troubleshooting, a plus. A strong understanding of government regulations and safety (including SQF and HACCP) standards, desired. Knowledge of refrigeration/Freon and facilities & equipment maintenance, a plus. A Bachelor's degree or equivalent experience, desired.
