### SCHEDULE OF DUES

Active Membership Dues - Circle the dues classification which properly reflects your business.  
*Please make checks payable to PennAg Industries Association.*

<u>CLASS</u>	<u>DUES</u>
Integrator	\$ 500
Hauling/Transport	\$ 500
Affiliate Contribution/ Associate Membership	\$ 100 and up

### DUES PERIOD

January 1 - December 31  
(Yearly Fee)

### MEMBER BENEFITS

- Members of the Foamer Association will have priority use of the foamer in the situation of a disease outbreak or catastrophic event that calls for the depopulation of poultry.
- The foamer will be transported to the appropriate location for use and operation. The producer or organization will receive an invoice from contractor.
- As the invested party, you **MUST** supply the labor to operate the foamer within the poultry facility, clean-up after depopulation and any actions entailed in the process.

*Note: Members MUST have identified sources for:*

- o Water*
- o Mulch, shavings, bedding, etc. for composting*
- o Disposal facility*
- o Identify on farm location for composting or burial*
- o Identify equipment and manpower on farm*

- Upon returning the foamer application, you **MUST** submit a certificate of insurance that includes PennAg Industries as an additional insured (*as required by the insurance company*).

### NON-MEMBER USE

Companies that are not dues paid members of the Foamer Association can “rent” the foamer for use\* in the situation of a disease outbreak or catastrophic event that calls for the depopulation of poultry. A flat-rate usage fee will be assessed, as well as an hourly charge.

*\*Equipment may only be used by a certified operator who has completed the PennAg foamer training.*

#### LEVEL 1 –\$1000

PennAg members but not a member of the Foamer Association  
o will receive an invoice from contractor

#### LEVEL 2 - \$1000

Non PennAg member and non Foamer Association member  
o will receive an invoice from contractor and PennAg Industries Association  
o hourly rate of \$100

**NOTE:** Any repairs needed after use of the foamer will be the responsibility of the company that used the foamer, regardless of member or non-member.
