

Service Technician (Lititz, PA)

Company Overview:

Northeast Agri System, Inc. designs, builds, and services poultry and hog houses in Pennsylvania and the surrounding area, including the Delmarva Peninsula and New England.

Position Overview:

We are hiring Service Technicians for our Lititz, PA store to repair and maintain agricultural systems used in poultry, hog, and egg production.

Job Responsibilities:

- Receive service requests from supervisor, pull and load necessary parts into a company-owned pick-up truck and travel to the customer's location.
- Install, repair, or service equipment listed on the service request.
- Communicate the need to order parts not in stock.
- Engage customers in a friendly, helpful manner, ensure they are satisfied with the work performed when possible, and relay any concerns to the appropriate company personnel in the event the customer has a complaint.
- Assist in warehouse or other areas of the company as directed by supervisor.
- Keep company service truck in clean, neat condition.

Job Requirements:

- Must have a clean criminal record.
- Must have current, valid PA driver's license.
- Must be able to be on call at least one week per month.
- Must be able to understand and adhere to bio-hazard safety practices.
- Local travel.
- Ability to lift 50 lbs.
- Must have basic knowledge of 110 and 220 electrical systems.

Benefits:

- Competitive Compensation
- 401(k) with employer matching
- Medical/Dental/Vision/Prescription Insurance
- Life and Disability Insurance

We will respond only to those who meet most of the criteria above. People who grew up or worked on a farm are encouraged to apply.
