

Shipping and Receiving Associate Needed

Tecno Poultry Systems is looking for a part-to-full time, experienced shipping and receiving associate for our Lancaster warehouse. Knowledge of egg production systems is preferred but not required. This candidate will need to communicate clearly with co-workers and customers. Also, be self-motivated and have a team focused approach to work. Be passionate, hardworking, and reliable. You will need to resolve basic problems and be able to make sound decisions in resolving them. You will also be asked to perform additional tasks as directed by the warehouse manager. Compensation and benefits will depend on experience. Please email your resume to: Michael@tecнопoultry.com

Responsibilities Include:

- Shipping
- Receiving
- Order Picking
- Packing
- Inventory
- Stocking
- Inventory Identification
- Fork Lift Operation
- Other General Warehouse Duties
- Keeping Clean Work Environment

Requirements:

- Good Communication Skills
- Team Player
- Self-Motivated
- Maintain Forklift Certification
- Able to lift 50 lbs. to 75 lbs.
- Ability to Read a Tape Measure
